ENGLISH TRANSLATION

Currents and vibrations - invisible and through our thoughts, feelings and states of BEING (the latter as the sum of our MERIT) programmable forces - flow around all of us in manifold in this dimension. If we voluntarily and consciously move away from the UNlightful forces, towards the perfection of our empathic, gentle human being - acting with EMOTIONAL INTELLIGENCE alone - the energies around us will change considerably in the direction of a holy existence. The ISAIS regarding this, once again to your repetition:

- 1.1 Know:
Weapon and defense are powerful
if the thoughts, rightly used.
- 1.2 Images your thoughts are all - Beyond can see.
Words are your thoughts - Beyond can hear.
As purposeful prayer, hoping as wish - or unintentionally done.
- 1.3 All thoughts are seen, caught by the one, to whom they are pious. Such power will correspond.
- 1.4 Due to this dark thoughts do not know any, otherwise you will summon darkness in evil form, devils or depraved spirits.
- 1.5 Even in battle - learn this -
keep away from evil thoughts.
Pitiful the twisted one,
the bad one you are fighting. Take pity on him,
even if the hour calls for fight.

Concerning point 1.2, it remains to be understood, that it does not matter at all, whether you consciously, half-knowingly or unconsciously create in this world, you will never be considered INNOCENT, but instead manifesting the full force of the EFFECT of powerful thoughts in your life and weaving. If you know, how to create a "TARGETFUL PRAYER" consciously, furthermore you have acquired EMOTIONAL INTELLIGENCE as your merit, you are, of course, clearly in an extremely powerful state of being, compared to all the creeping maggots of the "PERSON MOTHS", which spend their useless, sad existence in this realm wastefully, as subhumans senselessly controlled by foreign powers. You don't want be this UN-being who, in the service of Schaddain, wastes its valuable existence as his energy-provider. High and above are your goals, then be YOUR conscious creator!

All aspects of the ISAIS COMMANDMENT must be exposed, are those commandments of indescribable high value to our ascension. To be emotionally intelligent, characterized by gentleness and empathy, does not mean at the same time, being a loser against violence and surrender submissively to its perpetrators of the monopolies of the satanic control. Emotional intelligence means protecting weak beings, such as animals or plants, even children, but to clearly show the aggressive evil its boundaries. Jewish Zionist cowardice, created solely in order not to have the full broadside of light EFFECT on to the bleak CAUSE created by the UNholy, is hereby not accepted. I am referring to the statement of the Bible of Lies, contrary to Cosmic Law, to better turn and present the other cheek, when you're slapped in the face. Such contradicting programming to any high spirit, can only be thought of by those useless *bastards of bastards*, since they alone know only

the **sneaky attack** or, if the opponent is too strong, **the cowardly escape**.

Light-full spirit, however, also means always being in self-defense against the ALL-EVIL, since the own SELF always stands in highest duty of protection. SELF PROTECTION is **DIVINE LAW** and precedes everyone else's protective instincts, no matter how urgent. If YOU no longer exist, you can also no longer offer protection to others. That's the reason for the cowards' lousy saying, for one know protected their robots in the blue and black factory costume, on the other hand, if these robots were made incapable of action - **soon to be the case** - know themselves protected from angry multitudes of people. Surely one can talk sensibly over 13,028 years of exploitation, torture and extermination! **Certainly not!**

Every CAUSE has an EFFECT to follow. If a perpetrator of violence (**no matter what color costume!**) attacks you, it is up to you to return his energies (CAUSE) to him (EFFECT). The person attacking you has no right to take legal action against you, thereby coming after you on behalf of a third party. Thus the attacker always represents the CAUSE. If by your EFFECT the CAUSER happens to die, then death is solely attributable to him, not to you, do not worry, just because you defended yourself against his cowardly attack.

Attack means ACTION, **defense on the other hand is defensive RE-ACTION.**

To be defensive is your highest duty in order to protect your ALL being. With all means you have to protect your life. If you do not, the Cosmic Law will hold you responsible for your violation to the highest degree. This is exactly the knowledge, that all the fools in sailor suits carry, especially the illegal piracy in black. I myself was one of them, so I know the teachings of the supervisors. None of them can later claim that they didn't have any of the basic knowledge in respect to their position. But there won't be many, who want to complain, since their blood has long since been flowing in the streets of all cities and this too, my dear ones, is creation! And because they know, what is coming soon, listen to the MP3 below (link).

Know:

The feelings, you should not know: hatred, revenge, anger, envy, resentment, annoyance, quarrelsomeness, distrust, intolerance. Never fear the power of evil. And don't scold no man. Because all these things breed darkness.

But **do not stand idly by while evil does its work**. Should also never be tepid, never lethargic, not waiting for someone else to do, what you do can do.

Pay attention:

Even the hardest battle can be won without the dark vibration of thought.

The "evil", the LAW OF THE SEA/the UCC, these are the dull commanders of the POLICE and of all services, those, who do the buckler for the ALL-evil, who a HaJo Müller so gladly wants to know protected. **THEY ARE THE EVIL, that makes the maintenance of your boundaries possible**. Their instructions they pass on to you and limit your life supposed to thrive in freedom, to such a high degree that something like Corona measures are possible at all! What would the POLITIC monkeys, be without the self-proclaimed, stupidly brazen, leftist instructions receiving MONOPOL OF VIOLENCE. They are only a non-state entity with a tax ID number and WITHOUT sovereign rights. Violence is written on their foreheads, arbitrariness is the only law they have, although even that is illegal. And this activity is being watched inactively by the true rulers - the people- under the aegis of the versatile deception "POLICE, YOUR FRIEND AND HELPER". Since the beginning of the war of animal bastardism against our pure people, this lie has

been upheld. The work of the evil is always watched inactively.

With the advent of the very special one, the one who knows everyone and who knows everything, the MONOPOL of VIOLENCE will suddenly change. Knee-deep, righteous people will wade through the alleys in blood of the slaughtered UN-rightful (Book of Sajaha) and there will be a quake of unimaginable awakening taking place simultaneously on Irtha.

Know this:

Powerful protection and powerful weapon are there by light thoughts.

Therefore, you should first meet all beings in a friendly manner.

Whether human or animal, spirit or demon. Anyone could be a friend.

Light vibration reflects light.

Where there is poison in hellish power, you will soon find out.

Thus we have long since recognized the latter, the VIOLENT MONOPOLISTS do their dark work for their benefit, which will soon be taken away from them, along with their inferior life. Such evil, which brought its own people into those limitations, which were the only aid to Satan on his crusade against the godly sex, must be cleared up. New Purification laws will follow, this time against the sub-humanity of this earth. Because...:

3.4 If you have seen the signs of the dark power be quick to defend.

We have identified the dark power sign on (almost) every uniform of the evil power company POLICE. Of course, the servants of Satan meanwhile have gotten enough, they suspect the adversity that will now come to them. Up to now, the low spirits of the works army have been relatively indifferent to the people, who were driven to ruin by their ministry, a manual is a manual. The wind has shifted, and now they will pay for their deeds, without exception.

Another topic, just for the last time:

Dear readers, if you have relevant questions for mass murderers, please direct those to them, but not to us. Murdering rabble of such kind, hasn't got anything to do with the Cosmic PURITY we aspire for the world. : <https://www.youtube.com/watch?v=NdXt-GZYuvq>.

What the good Gaikler, Maik, *who moved here to grow up*, has on his plate, his outer appearance provides the proof. CAUSE and EFFECT also here. The LAW proves to us "dark power sign" of the guilty party/parties - a CONDITION of DEFICIENCY of EMOTIONAL INTELLIGENCE, that is so greatly needed in this new age. This gang of murderers will get their retribution, don't worry!

Finally, a report from the organizer of the DEMONSTRATION (german for: protest) on Satan's Day ("23") in Berlin: <https://archive.org/details/aud-20200826-wa-0000>

Berlin, the capital of the coming empire founded by the Templars on the behalf of Ishtar, for good reason the most fought over city of the centuries; the still occupied city by the Allies with special status; this metropolis not belonging to the administrative territory of the Sons of the FEDERATION - B'NAI B'RITH ... the penny should have finally dropped!

Whoever still falls for such a low game really and truly deserves ZION 2.0. The "dark power sign"

is more than visible here as well. Under normal circumstances and not financed and organized through the dark power, 3.000 - 5.000 fools would met there, the company FORCEMONOPOL would receive the order to dissolve the little begging-Party. Not so on the day of Satan, who makes from JAHUsalem his clever move against the GERMAN-PERSON Moth sealing its demise and taking action.

All this effort takes place for the sole reason to calm DEUTSCH down by replacing the current with a **new administration from the same camp**, in order to prevent a real uprising among the peoples and with the addition of a tiny bit of **DEMONcracy** the game of the then fifties - the years of development - can start from scratch.

DEUTSCH, by means of incredibly naive thinking and FOLLOWING, once again manages to maneuver itself out of existence. The downfall has already happened, not the one of the system!
